

"A TRIP WEST"

4th ANNUAL SHORTHORN SALE

SATURDAY, JUNE 14th, 1975

VIRDEN, MANITOBA

BRING THIS CATALOGUE TO THE SALE

Terms and Conditions of Sale

TERMS: The terms are cash, or cheque at par, unless other arrangements are made with the Seller before the sale. All payments must be made to the Clerk of the Sale and no release will be given until satisfactory settlement has been made.

BIDS: The highest bidder shall be the buyer. In case of dispute, the animal shall again be put up for advance bids and if there be no advance bid, the animal shall be sold to the person from whom the auctioneer accepted the last bid. One protective bid is allowed by the consignor.

RISK: All animals are at the purchaser's risk as soon as sold, but will be cared for during a reasonable length of time after the sale.

ERRORS: If errors are noted in the catalogue, announcements of corrections will be made from the auction stand, and such announcement will take precedence over the matter in the catalogue.

CERTIFICATES: Each animal is recorded, or will be recorded in the Herd Book of the Breed Association. (Transferred registry certificates will be forwarded to the purchaser of each animal.)

SHIPPING: Assistance will be given in making shipment after the sale, but no risk is assumed by the Sale Management or Seller. Expenses incident thereto are for account of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.

Immediate Delivery unless arrangements have been made with the sales management.

WARRANTIES:

WARRANTIES:

1. Each seller warrants clear title to the animal and right to sell same.
2. Unless otherwise noted in the catalogue or announced from the Auction Stand each animal is sold as sound.
3. Each animal is sold as a breeder subject to the following conditions:
 - (a) **MALES:** Bulls are sold as being able to serve and settle healthy females after reaching 14 months of age where the buyer has provided reasonable care and feeding. Should the bull prove to be a non-breeder, the buyer shall notify the seller in writing within four months after the bull reaches 14 months of age. The seller will then have the privilege of six months to prove the bull to be a breeder. In no case shall the seller be responsible for more than the selling price in making settlement to the buyer. Older bulls are warranted as breeders unless otherwise announced from the auction stand.
 - (b) **FEMALES:** Any female pregnant when sold or with calf at foot, or that has freshened normally within sixty days prior to the date of sale is by that fact considered a breeder. Should any female over 12 months of age, not pregnant when sold, fail to become pregnant within six months of the sale date, or by the time she has reached twenty-one months after having been bred regularly to a bull known to be a breeder and after having been treated by a licensed veterinarian, the matter shall be reported in writing to the seller who shall then have the privilege of six months' time in which to prove the animal a breeder before refunding the purchase price. Females bred when sold are presumed to be pregnant but pregnancy is not guaranteed. Results of any pregnancy examinations will be announced, but no guarantee is given that a pregnant female will deliver live calves or that they will carry calves full time, nor does he guarantee that the calf carried will not be mummified.
4. The seller is not responsible for damages caused by foreign bodies after the animal is sold, nor for sickness not apparent at sale time.
5. Above warranties cease when the animal is disposed of by the original purchaser.
6. Transportation charges on all animals subject to adjustment shall be paid by the shipper.

ACCIDENTS: Although every precaution will be exercised to protect the safety and comfort of guests, neither the Auctioneers, Owners nor Sale Management will be responsible for condition of the grounds or behavior of animals and disclaim any liability, legal or otherwise in the event of personal accident or property loss.

The above Terms and Conditions shall be a contract between the buyer and seller of each Lot.

PRESIDENT'S MESSAGE

Welcome once again to Manitoba's Trip West Sale. This Fourth Annual Sale includes cattle selected by our Canadian Secretary-Manager, Bert Pepper. His knowledge of cattle and ability to pick good ones goes unquestioned. These are honest cattle bred for improvement within the breed. This sale offering includes both dual and beef females, open and bred. The consignors will all stand behind their consignments so you can buy with confidence.

Join us the night before for an evening of good food and drink and Manitoba fellowship. If you have a chance prior to the sale, come early and visit the herds of origin. Manitoba breeders are noted for their hospitality. Herd numbers are not high but our quality is.

Val Kjernisted, President,
Manitoba Shorthorn Breeders' Association

ONLY THE BEST TO THE TRIP WEST

STONE OAK LEADER X

Our offerings at the previous Trip West Sales have always been well received. We feel that this year's offering is **ONE OF THE BEST.**

On the ground now at Good Hope is one of the best groups of calves ever. Mostly sired by Thomas X.

Drop in and see them and pick out your future requirements. We are just a half hour drive from Virden.

**"WHEN YOU BUY FROM GOOD HOPE"
YOUR SATISFACTION IS OUR PLEASURE.**

Dual Valley Rosebud X — This is a tall, modern, young cow. She is an excellent producer. Has a red, polled, bull calf born Feb. 2, 1975, sired by Thomas Leader 97A X. She will be safe in calf to our new herd sire, "Alta Cedar Royal Oak 38E X". This young bull has a good record of winnings as a yearling, and was a member of the "All Canadian Group of Four". Bred and owned by W.J. Boake & Sons, Acme, Alta. "Oak 38E" is tall and long. Weighed 1770 lbs. on his second birthday, April 7, 1975. We sold Rosebud's 1974 bull calf to Roger Steiger, III., in Nov. 1974. Roger reports he is developing into a tall, long bull. He is very high on his expectations of him. We believe this three in one lot will be an excellent buy.

Pleasant Dawn Leisa 1F X — This is the type of heifer we like to retain in our herd. We haven't our R.O.P. index for 1975, but this heifer should rate in the top three. She is tall, very correct on feet and legs. Will make a top show heifer and brood cow. Her dam, Encore Lady Lee X, is 12 years old. We purchased her in 1967. She has calved her sixth bull calf for us this year plus three heifers. All her bull calves have been sold into registered herds. Her first heifer weighed 1425 lbs. as a long two year old, and is breeding well for us. Lady Lee weighed 1625, prior to calving this year. She is tall and one of our larger cows. This is one of the best heifers we have offered for public auction. If you want a truly beef female with size and quality take a look at this one. We will breed her to our Junior Sire, "Miami Flag 23F X", son of "Mandalong Super Flag X".
